

ILLUSIONS OF ADULTING

by Sara Zimmerman

Alexis, I'm feeling down and need something to make me feel better.

I hear you, BFF. Let's go surf. Meet me in 15 minutes.

LATER...

At least surfing will make me happy.

Hailey, you're not being realistic.

Steve, surfing or anything else will never make you happy.

...only YOU can
make yourself
happy.

A cartoon illustration of a woman with brown hair and large, round eyes. She is wearing a purple bikini top and is pointing her right hand towards a speech bubble. The background shows a blue sky and green grass.

You need to be
realistic about
that or else
you will be
chasing illusions
the rest of
your life.

Plus, do you remember that
'being more realistic' was YOUR
New Year's resolution?

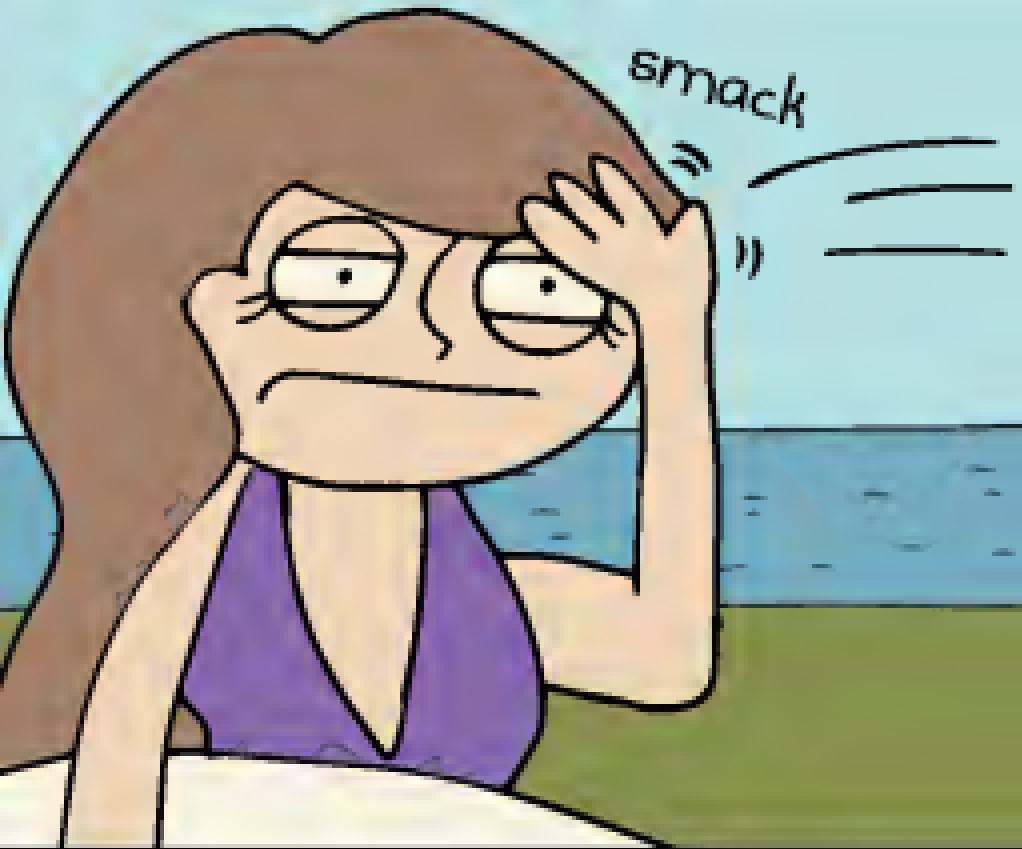

Oh... right...

...I totally forgot
about that.

You're right.
From now on, I will
be 100% realistic
about EVERYTHING!
